Reach Out for Me

[Dionne Warwick](#)

When you go through a day
And the things that people say
They make you feel so small
They make you feel that
Your heart will just never stop aching
And when you just can't accept
the abuse you are takingDarlin' reach out for me
Don't you worry I'll see you through
You just have to reach out for me
I'll be there and I'll comfort you
Oh yes I will
Comfort you and love you
How I'm gonna love youWhen good friends prove untrue
And the things they do to you
They make you feel so bad
They make you feel that
You haven't a reason for living
So when you feel you
You could throw in the towel
and just given inMy darlin' reach out for me
Don't you worry I'll see you through
You just have to reach out for me
I'll be there and I'll comfort you
Oh yes I will
Comfort you and love you
How I'm gonna love youReach out
Reach out
Reach outPlease reach out
Reach out for me
Reach out
Oh reach out for me
