

# Heart On a Chain

## No Justice

A month for me has come and gone,  
now you never have to be alone.  
i saw you standing there looking through your eyes i swear  
i can tell your heart need a home this heart on a chain, means that you have me  
for shelter when you're alone  
this heart on a chain, means that you have me  
wear it when i'm gone, when i'm gone, when i'm gone. I close my eyes when i hear the sound,  
rain of fire coming down.  
i keep your picture tight at night  
a bible by my side  
say a prayer for me when you lay down. this heart on a chain, means that you have me  
for shelter when you're alone  
this heart on a chain, means that you have me  
wear it when i'm gone, when i'm gone, when i'm gone. And if you wait for me i swear I'll never let you go.  
& when you think of me I'll be there in your heart of soul.  
and i cant tell you the things I've been through,  
but one thing you should know,  
baby i'm coming home, i'm coming home. A month for me has come and gone,  
now you never have to feel alone.
