

# Strike Back

## Bonfire

Livin' day by day - your conscience's far beyond of red alert  
Bad turns into good - and justice is not more than just a word  
Showtime for the Great Pretender  
Selling you his lies  
He won't be your soul defender  
The day - you gonna die  
Strike back - set your heart on fire  
The devil is a liar  
Strike back - raise a smile in heaven  
Fighting fire with fire - Strike back  
Strike back  
Hungry children die - and you go on a diet with champagne  
Donations cut your tax - but they don't ease the cryin' mother's pain  
ain't that insane  
Welcome Mr. Satisfaction  
Welcome Mr. Greed  
He won't give you soul protection  
Now - you gotta fight - alright
