

Never Again

Clint Crisher

Reality This is it
I'm drawing the line
Never again
I've made up my mind
This will be the last time
Never again Never again
Never again
Never again Never again
Never again
Never again
Too much, too little
Never again
Too late
Never again Time is money
You've spent your last dime
Remember when you tried to do me in
You will not win
This is the end
Never again
Too much, too little, too late
I'm Marie Antoinette and I'm serving you cake
Pack your shit
My date's here at 8
Let's get it straight
You sealed your fate
Never again
Never again Never again
Never again
Never again Never again
Never again
Never again You know you want me
You know you need me
You know you love me You know you want me
You know you love me
You know you'll miss me Never again Too much, too little, too late
Too much, too little, too late You know you want me
You know you need me
You know you love me
Never again

You know you want me
You know you love me
You know you'll miss me Never again
Too much, too little
Never again
Too much, too little, too late
Never again
Never again
Never again
Never again This is it
I'm drawing the line
Never again
This will be the last time
Let's get it straight
You sealed your fate
Never again Never again
Never again
Never again Never again
Never again
Never again Never again
Never again
Never again
