

Forgiveness

Collective Soul

In my silence, I would love to forget
Restitution hasn't come quite yet
And with one accord I keep pushing forth
I stretch my heart to heal some more
It used to be all I'd want to learn
Was wisdom trust and truth
But now all I really want to learn
Is forgiveness for you
As my seasons change, I've now grown to know
When one's heart creates, one's soul doesn't owe
So I wash away stains of yesterday
Then tempt my heart with love's display
It used to be all I'd want to learn
Was wisdom trust and truth
But now all I really want to learn
Is forgiveness for you
It used to be all I'd want to learn
Was wisdom trust and truth
But now all I really want to learn
Is forgiveness for you
It used to be all I'd want to learn
Was wisdom trust and truth
But now all I really want to learn
Is forgiveness for you
