

# Sad Song (feat. Elena Coates)

## We the Kings

You and I, we're like fireworks  
And symphonies exploding in the sky  
With you, I'm alive  
Like all the missing pieces of my heart  
They finally collide  
So stop time right here in the moonlight  
Cause I don't ever wanna close my eyes  
Without  
you, I feel broken  
Like I'm half of a whole  
Without you, I've got no hand to hold  
Without you, I feel torn  
Like a sail in a storm  
Without you, I'm just a sad song  
I'm just a sad song  
With you, I fall  
It's like I'm leaving all my past  
And silhouettes up on the wall  
With you, I'm a beautiful mess  
It's like we're standing hand and hand  
With all our fears up on the edge  
So stop time right here in the moonlight  
Cause I don't ever wanna close my eyes  
Without you, I feel broken  
Like I'm half of a whole  
Without you, I've got no hand to hold  
Without you, I feel torn  
Like a sail in a storm  
Without you, I'm just a sad song  
You're the perfect melody  
The only harmony I wanna hear  
You're my favorite part of me  
With you standing next to me  
I've got nothing to fear  
Without you, I feel broken  
Like I'm half of a whole  
Without you, I've got no hand to hold  
Without you, I feel torn  
Like a sail in a storm  
Without you, I'm just a sad song  
Without you, I feel broken  
Like I'm half of a whole  
Without you, I've got no hand to hold  
Without you, I feel torn  
Like a sail in a storm  
Without you, I'm just a sad song
