There I Go Again

Vinx

There I go again, thinkin about you
Wondering if you're thinkin bout me too
There I go again laughing to myself
Thinking of all those little things that you used to do.It seems kinda hard to imagine that you might be feeling blue
If you knew that I was thinkin bout you
then maybe you'd be smilin too, 'cause
ooh girl I'm sankin about youThere I go again, there I go again
There I go again, there I go again
Oh yea thinking about youThere I go again calling your nam
Whisper so softly do ya hear me
There I go again, oh ah you're in my ooh
I can still uhmmm see you so clear
