

Above the Clouds

Trackstar the DJ

"It has come to our attention that a mysterious force is LOOSE..
somewhere in outer space."

"The mysteries of creation are there."

"Up in the sky?"

"Up in the sky."

"The moon and the planets are there.
And new hopes for knowledge and peace are there.
And therefore as we set sail; we ask God's blessing --
on the most hazardous, and dangerous, and greatest adventure
of which man has ever embarked."

"Prepared for liftoff."

I self Lord and Master shall bring disaster to evil factors
Demonic chapters, shall be captured by Kings
Through the storms of days after
Unto the Earth from the Sun through triple darkness to blast ya
with a force that can't be compared
to any firepower, for it's mindpower shared
The brainwake, causes vessels to circulate
like constellations reflect at night off the lake
Word to the father, and Mother Earth
Seeking everlasting life through this Hell for what it's worth
Look listen and observe
and watch another C-Cypher pullin my peeps to the curb
Heed the words; it's like ghetto style proverbs
The righteous pay a sacrifice to get what they deserve
Cannot afford to be confined to a cell
Brainwaves swell, turnin a desert to a well
Experience the best teacher; thoughts will spray
like street sweepers Little Daddy street preacher
Illustrious feature, narrator you select
Accompanied by Deck plus the DJ you respect
The seven and a half combine, over the frontline
The ten percenters, promotin slander in the airtime
Bear in mind jewels be the tools of the trade

Sharp veins heavenly praise and dues are paid

Above the crowds, above the clouds where the sounds are original

Infinite skills create miracles

Warrior spiritual -- above the clouds
reigning/raining down, holdin it down

Yeah; I leave scientists mentally scarred -- triple extra large

Wild like rock stars who smash guitars

Poison bars from the Gods bust holes in your mirage
and catch a charge shake em down like the riot squad

And they deserve ruin like ancient Rome; I span the universe
and return to Earth to claim my throne

The maker, owner, plus soul controller

Ayatollah rest in the sky, the cloud's my sofa

Stand like Colossus, regardless to whom or what

Numerous attempts at my life, so who to trust

Who but us, to supply you with the fire?

The burning truth, 150 Absolut proof

On the mic like Moses spoke in golden scribe

Survivor of the oldest tribe whose soldiers died

I notified families, we shed tears and more

but our hands are the ammo cause the battle's still on

Sound the horn; we come rumblin through the function

Precise laser beam technique to touch somethin

When we die hard, to build the monument to honor us with
humungous effect in the world we could have conquered it

Above the crowds, above the clouds where the sounds are original

Infinite skills create miracles

Warrior spiritual -- above the clouds
reigning/raining down, holdin it down

Above the crowds, above the clouds where the sounds are original

Infinite skills create miracles

Warrior spiritual -- above the clouds
reigning/raining down, holdin it down
