Sleepy

Bilby

It's frivolous, it's pointless,
I'm waiting here in line.
I'd buy a cup of coffee
But I just wanna kill some time.
I'm watching you,
Now, I'm staring at you.
I figure that you notice,
But you don't really have a clue. (a clue)
Time sure does fly
When your just a lonely boy

Waiting for someone to come along
And ruin your fun
Sitting all alone with that quiet smile
On your face
I pretend I'm not interested
By staring off in to space.
Why did I act like I didn't even care?
Now I wish that you could only be there.
A game of cat and mouse that curiousity has
Killed,
Just call it pointless... call it what you will.
