Paranoiac Personality

Alice Cooper

Everybody's got something hiding in the back of their mind
Everybody's got something up their sleeve, yeah
Everybody's got tangled wires tight as they can wind
And all of them trying to strangle me, yeahI'm smelling a conspiracy (You're paranoid, paranoid!)
Telling lies about me constantly (Paranoid, you're paranoid!)
They follow me, I see them there
Don't they know that feeds my paranoiac personalityEverybody's got vicious rumours dripping off of their tongue
Everybody can't wait to see me run, yeah
Everybody's got loaded stories and I know for a fact
Everybody sees a bullseye on my back, yeahI'm smelling a conspiracy (You're paranoid, paranoid!)
Telling lies about me constantly (Paranoid, you're paranoid!)
They're stalking me, I see you there
Don't you know that feeds my paranoiac personality
