

# Going Crazy

Natalie

Ever since the day you went away and left me lonely and cold  
My life just hasn't been the same, ohh, baby, no  
When I looked into your eyes the moment that I let you go  
I just broke down

(Down)

Baby, if I ever get the chance to be with you again  
I would sacrifice

'Cuz the feeling that I feel within  
No other man would ever make me feel so right  
It's nice to smile when I get your phone call at night  
But I'd rather have you here with me  
Right next to me

I miss the way you hold me tight  
I gotta let you know I feel so weak without your touch  
I never thought that I could ever love a man so much  
I gotta let you know I think that we are destiny  
For you I'd cross the world, for you I'd do anything  
That's right baby, I'm going crazy  
I need to be your lady, I've been thinking lately  
That you and me, yes, we can make it  
Just ride with me, roll with me I'm in love with you, baby  
That's right baby, I'm going crazy  
I need to be your lady, I've been thinking lately  
That you and me, yes, we can make it  
Just ride with me, roll with me I'm in love with you, baby  
Break it down now, I'll tell you what I feel  
From the moment that I met you it's been so damn real  
My heart seems to skip another beat, every time we speak

I can't believe I feel so weak  
Tell me that you really need me and you want me and you miss me  
And you love me, I'm your lady  
I'll be around waiting for you, I'll put it down be the woman for you  
I'm falling so deep for you crazy over for you  
I'm calling, calling out to you what am I going to do?  
It's true and no fronting  
It's you and no other I can no longer go on without you  
I'll just break down  
(Down)

I gotta let you know I feel so weak without your touch  
I never thought that I could ever love a man so much  
I gotta let you know I think that we are destiny  
For you I'd cross the world, for you I'd do anything  
That's right baby I'm going crazy  
I need to be your lady, I've been thinking lately  
That you and me, yes, we can make it  
Just ride with me, roll with me I'm in love with you, baby  
That's right baby I'm going crazy  
I need to be your lady, I've been thinking lately  
That you and me, yes, we can make it  
Just ride with me, roll with me I'm in love with you, baby  
Ohh, ohh  
Crazy lady lately  
Ohh, ohh  
Ohh, ohh, ohh, baby
