

# Body Hammer (Colin Richardson Mix)

## Fear Factory

I clench my teeth and realize  
My world is so near its demise  
A dying sun in a poisonous sky  
Stinging my eyes  
Burning with contempt and conflictAs of now I am a tool  
Of severe impactI clench my fist and visualize  
The blood that is spilled is our own  
I open wide my bloodshot eyes  
Count the dead  
A result of dysfunctionAs of now I am a tool  
Of severe impact  
Hammer down  
Cause and effect  
And create a new worldPound, drive, swing, strike  
Break down, smash down  
Pound and drive, swing and strike  
Break it down  
I am a toolAs of now I am a tool  
Of severe impact  
Hammer down  
Cause and effect  
And create a new worldAs of now I am a tool  
Of severe impact  
Hammer down  
Cause and effect  
And create a new worldI am a tool  
I am a tool  
I am a tool  
I am a tool  
I am a toolI am a tool, tool, tool  
I am a tool to break down  
Break it down  
And smash it all away
