

# You Are Not Here

[Aidan Knight](#)

You are not here  
Not at home  
Not comfortable  
But each day it starts  
Wake up next to me, hair's never good  
She'll never feels sing after darkness  
Leaving the ground  
Losing an edge  
I fucked up the wheels  
I still dream about it  
What will we do?  
With our time after this?  
Having two kids on traveler's checks  
Sleeping on planes  
Married by friends  
Taking my name with all of its debt  
There's a light at the edge  
Berries to pick  
This thirst that I have may never be quenched  
You are not here  
Not at home  
Not comfortable  
But each day it starts
