## LINKIN PARK

God bless us everyone  
We're a broken people living under loaded gun  
And it can't be out fought, it can't be outdone  
It can't be outmatched, it can't be outrun, noGod bless us everyone  
We're a broken people living under loaded gun  
And it can't be out fought, it can't be outdone  
It can't be outmatched, it can't be outrun, noAnd when I close my eyes tonight  
To symphonies of blinding light  
God bless us everyone  
We're a broken people living under loaded gunLike memories in cold decay  
Transmissions echoing away  
Far from the world of you and I  
Where oceans bleed into the skyGod save us everyone  
Will we burn inside the fires of a thousand suns?  
For the sins of our hand, the sins of our tongue  
The sins of our father, the sins of our young, noGod save us everyone  
Will we burn inside the fires of a thousand suns?  
For the sins of our hand, the sins of our tongue  
The sins of our father, the sins of our young, noAnd when I close my eyes tonight  
To symphonies of blinding light  
God save us everyone  
When we burn inside the fires of a thousand suns, ohLike memories in cold decay  
Transmissions echoing away  
Far from the world of you and I  
Where oceans bleed into the skyLike memories in cold decay  
Transmissions echoing away  
Far from the world of you and I  
Where oceans bleed into the skyLift me up, let me go  
Lift me up, let me go  
Lift me up, let me go  
Lift me up, let me go  
Lift me up, let me go  
Lift me up, let me go  
Lift me up, let me go  
Lift me up, let me go  
Lift me up, let me go  
(And it can't be out fought, it can't be outdone)  
(It can't outmatched, it can't be outrun, no)  
Lift me up, let me goGod bless us everyone  
We're a broken people living under loaded gun

And it can't be out fought, it can't be outdone  
It can't outmatched, it can't be outrun, noLift me up, let me go  
(God bless us everyone)  
(We're a broken people living under loaded gun)  
Lift me up, let me go  
(And it can't be out fought, it can't be outdone)  
(It can't outmatched, it can't be outrun, no)
