

# Sacred

## Fractious

I'm still awake for you  
We won't make it together  
We can't hide the truth  
I'm giving up for you now  
My final wish will guide you out  
Before the ocean breaks apart  
Underneath me, remember  
To me you'll be forever sacred  
I'm dying but I know our love will live  
Your hand above like a dove, over me  
Remember, to me you'll be forever sacred  
You break the ice when you speak  
With every breath you take you save me  
I know that one day we'll meet again  
Try to go on as long as you can  
Even when the ocean breaks apart  
Underneath you, remember  
To me you'll be forever sacred  
I'm dying but I know our love will live  
Your hand above like a dove, over me  
Remember, to me you'll be forever sacred  
Forever you, forever sacred  
Forever you, if you will be sacred  
In your eyes I see the hope, I once knew  
I'm sinking, I'm sinking away from you  
Don't turn around, you'll see  
You can make it, never forget  
To me you'll be forever sacred  
I'm dying but I know our love will live  
Your hand above like a dove, over me  
And one day the sea will guide you back to me, remember  
To me you'll be forever sacred  
To me you'll be forever sacred
