

# She's Not There

## UK Subs

Well no one told me about her  
The way she lied  
Well no one told me about her  
How many people cried  
But it's too late to say you're sorry  
How could I know, why should I care  
Please don't bother trying to find her  
She's not there

Well let me tell you about the way she looked  
The way she acted, the color of her hair  
Her voice was soft and cool, her eyes were clear and bright,her skin was soft and white  
But she's not there

Well no one told me about her  
What could I do  
Well no one told me about her  
Though they all knew  
But it's too late to say you're sorry  
How could I know, why should I care  
Please don't bother trying to find her  
She's not there

Well let me tell you about the way she looked  
The way she acted, the color of her hair  
Her voice was soft and cool, her eyes were clear and bright,her skin was soft and white  
But it's too late to say you're sorry  
How could I know, why should I care  
Please don't bother trying to find her  
She's not there

Well let me tell you about the way she looked  
The way she acted, the color of her hair  
Her voice was soft and cool, her eyes were clear and bright,her skin was soft and white  
But she's not there
