

Graveyard Shift

Jackal Queenston

I've Been Working The Graveyard Shift
No One Ever Told Me It Would Be Like This
 Sundown Til The Morning Mist
 Starting My Day With A Moonlight Kiss
 And I Was Born On A Precipice
 Between Salvation And The Great Abyss
 Don't Think I Can Go On Like This Putting In Time On The Graveyard Shift
 I Go To Work At Sundown,
 Pick-Axe Digging Into Common Ground
 Night Falls But It Makes No Sound Duty's Calling From The Underground
 Now Here It Comes It Comes
 The Setting Sun Time To Dig Down And See What Side You're On
 Until The Dawn The Dawn You're Soldiering On
 Every Sundown You Gotta Be Reborn
 Come Away, Come Away, Come Away
 Come Sit By Me And See What I See
 When I Close My Eyes At The Edge Of Sleep
 And We Dream On The Blade Of A Knife
 Following The Trail Of The Afterlife

Now Here They Come The Night Commuters
 The Midnight Hoard The Dawn Refuters
 They're All Here To Settle A Score
 With The Phantom Limbs And The Ghosts Of War
 Now Here It Comes It Comes
 The Setting Sun Time To Dig Down And See What Side You're On
 Until The Dawn The Dawn You're Soldiering On
 Every Sundown You Gotta Be Reborn
 Come Away, Come Away, Come Away
 I've Been Working The Graveyard Shift
 Traded Night For Day Now It's All I Can Do To Stay Awake
Eyes Heavy As The Moonlight Drifts Time To Dig, Time To Dig And Bury My Mistakes Bury My Mistakes
 I've Been Working The Graveyard Shift
 No One Ever Told Me It Would Be Like This
 Sundown To The Morning Mist
 Starting My Day With A Moonlight Kiss
 And I Was Born On A Precipice
 Between Salvation And The Great Abyss
 I Don't Think It Can Go On Like This

Putting In Time In The Graveyard
