

# Munongosasa

## AGE McSoul

Asekuru Hande

haikona kurwadziwa when we get in, get ready takuchiputitsa  
Ayo ayo ayo malume

Munongosasa munongosasa but hapana zvamunoita  
Munongosasa munongosasa but action u got none

We were waiting for action like the whole week  
Mdara vaisasa kunge student waJet Li  
Come match day pakuitwa competition ye hide and seek  
Now we don't knw who is who i guess they both weak  
Ah ah zvamunoita zvinonyadzisa  
Expections were to high mazongoita zvekuti rasisa  
We were already choosing side nekufarisa  
Either Mfana wekurabwa kana Mdara watichacherera  
Rest in peace even some ladies are coming to the burial  
We don't know what caused it tichanzwa pa memorial  
Its entertainment even Nigel atadza kuvata  
Cashem beats told me to spit it hot fire

Munongosasa munongosasa but hapana zvamunoita  
Munongosasa munongosasa but action u got none

Kutotadza kurara nema back to back amai texter  
Mdara bond makandiwisira pasi nekuseka, wati  
Iwe Mfana ndosaka wakarambwa na Romana  
Afro hair so big huro uchatotyoka  
Next day waku atkwa se Chelsea usina Cech  
Total destruction kutogariswa pa front couch  
Ndakakutarisa asi unosvoda  
Urikumberi kunge chest ya Rick Ross  
Apo dzimwe boys dzaitokanda salt  
But tikazvitarisa u see its your own fault  
Manje munhu wawakazvaga wakamuwana  
But no chill boys there will be a new beef mangwana
