Get Out Alive

Three Days Grace

No time for goodbye he said as he faded away
Don't put your life in someone's hands
They're bound to steal it away
Don't hide your mistakes
'Cause they'll find you, burn you, then he saidIf you want to get out alive
Oh, run for your life
If you want to get out alive
Oh, run for your lifeThis is my last time she said
As she faded away
It's hard to imagine
But one day you'll end up like me
Then she saidIf you want to get out alive
Oh, run for your life
If you want to get out alive
Oh, run for your lifeIf you want to get out alive
Oh, run for your life
If you want to get out alive
Oh, run for your lifeIf I stay, it won't be long
Till I'm burning on the inside
If I go, I can only hope
That I make it to the other sideIf you want to get out alive
Oh, run your life
If you want to get out alive
Oh, run forIf you want to get out alive
Oh, run for your life
If you want to get out alive
Oh, run forIf I stay, it won't be long
Till I'm burning on the inside
If I go, I can only hope
That I make it to the other sideIf I stay, it won't be long
Till I'm burning on the inside
If I go, and if I goBurning on the inside
Burning on the inside
Burning on the inside
