My Number One

Don Nino

You're my lover, undercover
You're my secret passion and I have no other
You're delicious, so capricious
If I find out you don't want me I'll be viciousSay you love me and you'll have me
In your arms forever and I won't forget it
Say you miss me, come and kiss me
Take me up to heaven and you won't regret thisYou are the one, you're my number one
The only treasure I'll ever have
You are the one, you're my number one
Anything for you 'cause you're the one I loveYou're my loverYou're a fire and desire
When I kiss your lips, you know, you take me higher
You're addiction, my conviction
You're my passion, my relief, my crucifixionNever leave me and believe me
You will be the sun into my raining season
Never leave me and believe me
In my empty life you'll be the only reasonYou are the one, you're my number one
The only treasure I'll ever have
You are the one, you're my number one
Anything for you 'cause you're the one I loveYou're my lover, undercover
You're my secret passion and I have no otherYou are the one, you're my number one
The only treasure I'll ever have
You are the one, you're my number one
Anything for you 'cause you're the one I love
