Princess die high
Princess high die
Where's my stache
Want to get high guy
I need my
Have you seen my
I can't find my
Where's my stache
Can you feed my love
Cannabis
Can you feed my love
Where's my stache
Where's my stache
Cannabis
High princess
There's no exit, we're in John Paul's sartre
Hope you don't think my obsession is awkward
Princess high die
Princess die high
Princess high die

Princess die high
There's no particular thing that I want
There's no particular drug that I love
But when I can't find my stache I give up
I need to deal with myself and get messed up
Where's my stache
Can you feed my love
Cannabis
Can you feed my love
Where's my stache
Where's my stache
Cannabis
High princess
Where's my stache
DJ Zedd, Anton, turn it up
Let's party, let's get messed up
Let's get messed up
Let's get messed up

You're so messed up
