

# Brave

## The Nearly Deads

I am the lion-hearted warrior.  
I am steadfast, I am strong.  
I am invincible and powerful.  
I am courageous, I am fearless, I am free. I am brave, and you can't take that away!  
I'll keep fighting everyday.  
I will break and make mistakes,  
I will break, I will break. But I will always be brave. Brave.  
I'm the one who has to live  
With all the choices that I've made.  
I am proud, and I feel wonderful.  
I am majestic and fantastic, I am free. CHORUS  
I will break and make mistakes,  
I will break, I will break.  
But I will always be brave.  
I will always be brave...
