

Steal Your Love

[Lucinda Williams](#)

Did they lay down a law and lock up your heart?
I'm gonna have to steal your love
Some laws should be broken from the start
I'm gonna have to steal your love You ain't about to give it up for no one
I'm gonna have to steal your love
I don't need a knife, I don't need a gun
I know how to steal your love I don't want your drugs, I don't want your money
I just wanna steal your love
I want you to squeeze me and call me "Honey"
I just wanna steal your love Give me your strong hand, go away with me
I'm gonna have to steal your love
Come on and let me kiss you and set you free
I'm gonna have to steal your love I'm gonna have to steal your love
I'm gonna have to steal your love
