He Said

Mary Mary

Whatever you need for Him to do
He will do it if you give Him the chance
And I'm, I'm telling you He's already proved
That He can do anything so give Him the chance
Now there's been so many times I called on Him
Regardless of the circumstance He was there
So now I devoted my life to serving Him
It's me for Him 'cause all the time He was there for me
It don't matter what the need, no
"There's no limit, I'll give you anything"
All I want is you to trust me
"Through my love I'll set you free"
He said, "I'll go wherever
You want me to go"
He said, "I'll do whatever
You want me to do"
He said, "I'll go wherever
You want me to go"
He said, "I'll do whatever
You want me to do"
Now it is a must I testify and let everybody know
I live because of You and they can have the same life
That I choose and when they ask me now
I'll say, "It's because of You"
It don't matter what the need, no
"There's no limit, I'll give you anything"
All I want is you to trust me
"Through my love I'll set you free"
He said, "I'll go wherever
You want me to go"
He said, "I'll do whatever
You want me to do"
He said, "I'll go wherever
You want me to go"
He said, "I'll do whatever
You want me to do"
"Whatever you want from me
What else can I do to make you see?
To prove to you I'm everything

That you'll ever need"
"What else do I have to say?
To show you more clearly
That I am, that I am the beginning and the end
Yes I'm your everything"
You don't know God is the truth, He is
And everything that he said, He'll do, He did
New whips, new cribs a few hits
I'm blessed with ice, I'm blessed with life
On top of all that yo I'm blessed with Christ
So His heart must be as big as Texas, right
I ain't thinking of the change or thinking of the blames
Think of the range, I ain't even thinking the same
When I think of his name yo, I'm thinking of praise
Wit Fats and Darkchild so come on now
With naughty Mary, you know then
But we talking about Christ, get to know him come on
He said, "I'll go wherever
You want me to go"
He said, "I'll do whatever
You want me to do"
He said, "I'll go wherever
You want me to go"
He said, "I'll do whatever
You want me to do"
He said, "I'll go wherever
You want me to go"
He said, "I'll do whatever
You want me to do"
That is what He said to me
That is what He said to me
That is what He said to me
