

# Hold Everything (Till I Get Home)

George Jones

Hold everything till I come home  
No matter how long I'm gone  
Don't be tempted by their money and booze  
Nobody's gonna fill my shoes. When I get back I won't even knock  
'Cause the same ole keys fits the same ole locks  
Hold everything till I come home  
No matter how long I'm gone.--- Instrumental ---Hold everything till I come home  
No matter how long I'm gone  
Don't try to sell our little shack  
Just keep it till I get back.  
Just keep everything in apple shape  
If you feel to quessy put on the brake  
Hold everything till I come home  
No matter how long I'm gone.--- Instrumental ---Hold everything till I come home  
No matter how long I'm gone  
Just meet 'em at the door with a 44  
And tell 'em I'm right next door. If they ask you for a date just show 'em they gate  
And if they don't like it tell them your to late  
Hold everything till I come home  
No matter how long I'm gone.--- Instrumental ---Hold everything I'm a-comin' home  
No matter how far I roam  
When I return we're gonna be alone  
You'll forget I've ever been gone.  
When I get back you won't sleep  
And you won't have much time to eat  
Hold everything till I come home  
No matter how long I'm gone...
