

# One Day in Your Life

[Aurina Melany](#)

I know that's just the way it goes  
And you ain't right for sure  
You turned your back on love  
For the last time  
It won't take much longer now  
Time makes me stronger way  
There's nothing more to say  
One day in your life said love would remind you  
How could you leave it all behind  
One day in your life, it's gonna find you  
With the tears that left me cry  
And baby I'm stronger than before  
You gotta play it on the line  
Maybe one day in your life  
My love, did you think  
I'd break down and cry?  
This thing we had, it meant the world to me  
Guess I would try  
It won't take much longer now  
See time makes me stronger way  
And I know you'll be coming 'round some day  
One day in your life, said love would remind you  
How could you leave it all behind  
One day in your life, it's gonna find you

With the tears that left me cry  
And baby I'm stronger than before  
You gotta play it on the line  
And maybe one day in your life  
You called me in the midnight hour  
With your velvet lights  
So many sleepless nights, I wonder  
Is it time to say goodbye? Ooh yeah  
One day in your life, said love would remind you  
How could you leave it all behind?  
One day in your life, it's gonna find you  
With the tears that left me cry  
And baby I'm stronger than before  
You gotta lay it on the line

And maybe one day in your life  
One day  
One day in your life, said love would remind you  
How could you leave it all behind?  
One day in your life, it's gonna find you  
With the tears that left me cry  
And baby I'm stronger than before  
You gotta play it on the line
