

It's You I Love

Fats Domino

You know, I love you, want you to love me too
Let's get together like old folks used to do
We'll get married, go to Paris
Come here, it's me, it's you I love I'll be your little boy, you'll be my little girl
We'd go 'round and 'round, 'round this crazy world
Even in the rain we'll go hand in hand
Come here, it's me, it's you I love No matter what the people say, we'll do things our way
We'd be together each and every day
When you are blue I'd be there with you
Come here, it's me, it's you I love You know, I love you, want you to love me too
Let's get together, like old folks used to do
We'll get married, go to Paris
Come here, it's me, it's you I love I'll be your little boy, you'll be my little girl
We'd go 'round and 'round, 'round this crazy world
Even in the rain we'll go hand in hand
Come here, it's me, it's you I love
