

# Songs About Me

## Trace Adkins

I met a guy on the red eye  
He spotted my guitar and said, "What do you do?"  
I said, "I sing for a living  
Country music mixed with a little rock and a little blues" He said, "I'm sorry but I've never been crazy  
'Bout that twang and trains and hillbilly thing  
Whatever made you want to sing stuff like that?"  
I just looked at him and laughed and said "Cause it's songs about me and who I am  
Songs about lovin' and livin'  
And good hearted women and family and God  
Yeah, they're all just songs about me, songs about me" So I offered him tickets  
I said, "You'll see what I mean if you show up tonight"  
He said, "I doubt you'll change my opinion  
I'll be kind of busy, but hey man, I'll try" Then later on when we finished our songs  
About scars and cars and broken hearts  
I saw him, he was standing there right next to the stage  
And he shouted, "Man, you were right It was like you sang those songs about me and who I am  
Songs about lovin' and livin'  
And good hearted women and family and God  
Yeah, they're all just songs about me, songs about me, yeah" So I'll just keep on singing 'til I hear the whole  
world singing  
Those are songs about me and who I am  
Songs about lovin' and livin'  
And good hearted women, family and God  
Yeah, they're all just songs about me, songs about me
