

# Streets of Philadelphia (Philadelphia Soundtrack)

## Bruce Springsteen

I was bruised and battered, I couldn't tell what I felt  
I was unrecognizable to myself  
Saw my reflection in a window and didn't know my own face  
Oh brother are you gonna leave me wastin' away  
On the streets of Philadelphia I walked the avenue, 'til my legs felt like stone,  
I heard the voices of friends, vanished and gone,  
At night I could hear the blood in my veins,  
It was just as black and whispering as the rain,  
On the streets of Philadelphia Ain't no angel gonna greet me  
It's just you and I my friend  
And my clothes don't fit me no more,  
A thousand miles  
Just to slip this skin Night has fallen, I'm lyin' awake,  
I can feel myself fading away,  
So receive me brother with your faithless kiss,  
Or will we leave each other alone like this  
On the streets of Philadelphia
