

Two Wrongs Don't Make a Right

Mary Wells

I took your love and said, "Goodbye"
Stayed away, my darling and made you cry
If you turn me away, yeah yeah, all I can say
Is that two wrongs don't make a right I broke your heart, you know it's true
Now I'm back begging you
Not to turn me away 'cause all I can say
Is that two wrongs don't make a right Now is your chance to do me wrong
And to tell me that this is the end
Now, my darling, if you can forgive until the longest day I live
I'll never make that same mistake again I took your love and said goodbye
I stayed away, my darling and made you cry
'Cause if you turn me away baby, yeah yeah, all I can say
Is that two wrongs don't make a right
