Depression ain't the reason why everything turns grey

When my mind's been drained through the stream of frozen minds

The hollow one

And thousands have walked this narrow way

But I'm not that kind of man

I wanna stay in my old me

Not leave this peaceful space
But every step brings me further and further away

Away from the man I used to be

I'm hollow

I'm cleaned

All fantasies erased from the sleepless dreams

I'm empty

I'm blank

Lost in an ocean where my soul's been sunk
Confusion greets me when I awake

I'm feeling restless inside

Not even raised from bed I wanna scream it all up

My artificial joy

From a mouth not mine

My hands are shaking of rage

Soon the last peace of me is gone

And nothing in my world

Can stop the hate inside from growing strong
