'Weekend'

Smith Westerns

Her tears are never ending*
You wanna run but stop pretending
Na na na na na a girl like you
Do you think is it normal
To go through life oh so formal
Na na na na na a girl like youWeekends are never fun unless you're around here tooAnd all the stars aligned
And all the dreams on my side
Na na na na na a girl like you
Took a fall so i fell down
Never wanna see you hit the
Na na na na na a girl like youWeekends are never fun unless you're around here too
