## Blondie

Be my TV Guide  
In between my stations  
Be my satellite  
Secret information Stairway going one way  
To the subway  
Waiting for the train  
Take it to the runway Journal in the Square  
Fingers in my hair do  
England in the air  
Beatle in the bathroom Highway going one way  
Or another  
Let's get in the car  
Brooklyn Queens Expressway Turning in the light  
Singing to a doorway  
Standing on the side  
Listen to the subway Highway going one way  
Or another  
Let's get in the car  
Brooklyn Queens Expressway
