Begin Again

Ashlyne Huff

I was confused
I was empty and alone
I never knew if you were real
Ever since you said helloHow could you look away
When I said to stay?
How'd you leave so easily?
Won't you tell me how it's gonna be, gonna be?If we could begin again
I'd trade just a day
There won't be secrets
Cause we're not hiding
I'll start tomorrow today
We're in this together
But at the door
I caught your goodbye in the mirror
I wish we'd go back to before
With you and me in that reflectionI know I've changed my mind a million times
But I never thought you'd leave my side
Won't you tell me how it's gonna be, gonna be?If we could begin again
I'd trade just a day
There won't be secrets
Cause we're not hiding
I'll start tomorrow today
We're in this together
You told me you'd never leave
Never warned me this would be nothing
Just be clear just for once
Say what you want
Say what you need
If only you'd stop pretending
Just fill me in and just end it
You brought me in, you worked me up
And wore me down, kicked me out
I swear I never saw this comingI told myself today's a better day
Oh, if only I could turn back time
And you and I can make it through this
It's the only thing I need to know
Did you really wanna let me go? (No)
Won't you tell me how it's gonna be, gonna be?If we could begin again
I'd trade just a day

There won't be secrets
Cause we're not hiding
I'll start tomorrow today
We're in this togetherIf we could begin again
I'd trade just a day
There won't be secrets
Cause we're not hiding
I'll start tomorrow today
We're in this togetherIf we could begin again
