Crying

k.d. lang

I was alright for a while, I could smile for a while Then I saw you last night, you held my hand so tight When you stopped to say, "Hello" You wished me well, you couldn't tellThat I'd been crying over you Crying over you then you said, "So long" And left me standing all alone Alone and cryingCrying, crying, crying It's hard to understand That the touch of your hand Can start me cryingI thought that I was over you But it's true, so true I love you even more than I did before But darling what can I do? No you don't love me and I'll always beCrying over you, crying over you Yes, now you're gone And from this moment on I'll be crying, crying, crying, crying Crying, crying over you
