Hail Caesar

AC/DC

He be the count of Monte Cristo
Could be a quake any day
Maybe somebody from Siam
Begin the era of a new rageKeeps lickin' all the honey
Chewin' up the fat he rakes
Instead of sending to the lions
They cover him with praiseAll hail Caesar

Hail, hail

All hail Caesar

Hail, hailDown at the epicenter things started heatin' up
Rockin' up the Richter scale
Swinging in the chariot around and around we go
The senators rehearse the taleStarring in the coliseum
Tied upon the rack

Up comes the thumb of Caesar To stab you in the backAll hail Caesar Hail, hail

All hail Caesar

Hail, hailDown at the epicenter things started heatin' up
Rockin' on the Richter scale
Swingin' in the chariot around and around we go
The senators rehearse the taleWatch out Caesar

Watch out CaesarI said hail

I said hail I said hail

I said hailHail, hail, hail

Hail, hail, hail

Hail, hail, hail Caesar

Hail, hail

All hail Caesar

Hail, hail All hail Caesar

Hail, hail

All hail Caesar

Hail, hailYou gotta have eyes in the back of your head boy Or you're dead
