

# Fuel

## Metallica

Gimme fuel, gimme fire  
Gimme that which I desire  
Ooh  
Turn on, I see red  
Adrenaline crash and crack my head  
Nitro junkie, paint me dead  
And I see red  
A hundred plus through black and whites, ha, ha  
War horse, warhead  
Fuck 'em man, white knuckle tight  
Through black and white  
Ooh, and I burn  
Fuel is pumping engines  
Burnin' hard, loose and clean  
And I burn  
Turning my direction  
Quench my thirst with gasoline  
So gimme fuel, gimme fire  
Gimme that which I desire, hey  
Yeah  
Hey, turn on beyond the bone  
Swallow future, spit out hope  
Burn your face upon that chrome  
Yeah  
Take the corner, going to crash  
Headlights, head on, headlines  
Another junkie lives too fast  
Yeah, lives way too fast, fast, fast, woh  
Ooh, and I burn  
Fuel is pumping engines  
Burnin' hard, loose and clean  
Ooh, and I burn  
Churning my direction  
Quench my thirst with gasoline  
So gimme fuel, gimme fire  
Gimme that which I desire  
Ooh, yeah, hey  
Hey, hey, hey, hey  
Hey, hey, hey, hey

Hey, hey  
Feel it burning  
Burn my fuckin' pain  
Ooh, I burn  
Fuel is pumping engines  
Burnin' hard, loose and clean  
Then I burn  
Turning my direction  
Quench my thirst with gasoline  
Gimme fuel, gimme fire  
Gimme that which I desire, yeah  
That burn, yeah
