Overkill (Taras Bazeev Remix)

Kosheen

Back and forth
Back and forthBack and forth
Back and forthIs it over now?
Over something that you overheardIt's over dramatized
Over complicated, over hereAll your clever talk
Leaves you tongue tied
It's overkillYou wanna fix it with your hands tied
You never willI don't wanna play this game no more
Back and forth and backIs it over now?
So tell me how does it feel?
Ah is it over now?
Ah you'll get over me
Ah you'll get over meTake it easy now
Don't wanna change a thingDon't want my dirty little feet all over everything
I took my shoes off
So that I wouldn't treadOver the clean sheets wrapped around that dirty bedah, believe me
If I wanted toBaby, I would bury you
I keep my hands clean
Keep my dignityI leave it all to youI don't wanna play this game no more
It's back and forth and backIs it over now?
So tell me how does it feel?
Ah is it over now?
Ah you'll get over meBack and forth and back and
Back and forth and back and
Back and forth and back and
Back and forth and back
And back
And back
And backIs it over now?
So tell me how does it feel?
Ah is it over now?
Ah you'll get over me
Ah you'll get over meBack and forth and back and
Back and forth and back and
Back and forth and back and
