

# To the Moon & Back

## Savage Garden

She's taking her time making up the reasons  
To justify all the hurt inside, guess she knows  
From the smiles and the look in their eyes  
Everyone's got a theory about the bitter one, they're saying

Mama never loved her much and  
Daddy never keeps in touch  
That's why she shies away from human affection, but

Somewhere in a private place  
She packs her bags for outer space  
And now she's waiting for the right kind of pilot to come

And she'll say to him (She's saying)

[Chorus]

I would fly you to the moon and back  
If you'll be if you'll be my baby  
I've got a ticket for a world where we belong  
So would you be my baby

She can't remember a time when she felt needed  
If love was red then she was color-blind, all her friends  
They've been tried for treason  
And crimes that were never defined

She's saying, love is like a barren place  
And reaching out for human faith is  
Is like a journey I just don't have a map for  
So baby gonna take a dive and push the shift to overdrive  
Send a signal that she's hanging all her hopes on the stars

What a pleasant dream (just saying)

[Chorus: x2]

Mama never loved her much  
And daddy never keeps in touch  
That's why she shies away from human affection

But somewhere in a private place  
She packs her bags for outer space  
And now she's waiting for the right kind of pilot to come

And she'll say to him (she's saying)

[Chorus: x2]
