

Can't Stop Partying

Weezer

I can't stop partying, partying
I can't stop partying, partying
I gotta have patron, I gotta have these
I gotta have a lot of pretty girls around me Oh, I can't stop partying, partying
I can't stop, partying, partying
I gotta have the cars, I gotta have the jewels
And if you was me, honey, you would do it too Monday to Sunday I hit all the clubs
And everybody know me when I pull up
I got the real big posse with me, yeah I'm deep
And if you looking for me I'm in VIP Just follow the smoke, they're bringing bottles of the goose
And all the girls in the corner getting loose
Screw rehab, I love my addiction
No sleep, no sleep, I am always on a mission 'Cause I can't stop partying, partying
I can't stop partying, partying
I gotta have patron, I gotta have these
I gotta have a lot of pretty girls around me Oh, I can't stop partying, partying
I can't stop, partying, partying
I gotta have the cars, I gotta have the jewels
And if you was me, honey, you would do it too Oh
(Can't stop, can't stop the partying)
(Can't stop, can't stop the partying)
(Can't stop, can't stop the partying)
(Can't stop, can't stop the partying)
