

# Carefree Country Day

## Buffalo Springfield

I get up in the morning with a cock-a-doodle-do  
I get myself together if and when I chose I'm just buckin' time without a reason or rhyme  
Oh, what a wonderful way  
To spend a carefree country day  
I got to have it that way I best get all my chores done, got some friends a comin' by  
There's part of country livin' in, just trying to get by I'm just buckin' time without a reason or rhyme  
Oh, what a wonderful way  
To spend a carefree country day  
I got to have it that way I make myself a livin' off a haulin' on junk  
A man can [Incomprehensible] dump I'm just buckin' time without a reason or rhyme  
Oh, what a wonderful way  
To spend a carefree country day, oh yeah  
I got to have it that way
