Everybody Hurts

Lee DeWyze

When the day is long and the night
And the night is yours alone
When you're sure you've had enough of this life
Well hang onDon't let yourself go
'Cause everybody cries
And everybody hurts sometimesSometimes everything is wrong
And now it's time to sing along
When your day is night alone
So hold on, hold onIf you feel like letting go, hold on
'Cause everybody hurts
Take comfort in your friends
'Cause everybody hurtsDon't throw your hand, oh, no
Don't throw your hand
If you feel like you're alone
No, no, no, you are not aloneIf you're on your own in this life
These days and nights are long
When you think you've had too much of this life
To hang onWell, everybody hurts sometimes
Everybody cries
And everybody hurts sometimesHold on, hold on
Hold on, hold on, hold on
So hold on, hold on
