

# Telling Stories

## Drivin' N' Cryin'

It's three-thirty  
School is letting out  
Window-shopping  
Finally got time alone  
This house seems so small  
Family wall to wall  
Seven-Thirty  
Hooking up with John and Mark  
At the playground  
Chesterfields and bubble gum  
Everything seems so hard  
I guess that's why they  
Call it growing up  
Telling stories  
Did you hear the one?  
Do you like to laugh?  
Did you hear that song?  
Telling stories  
Of moving on  
Fallen angels  
And broken arms  
About the midnight hour  
Up in Danny's room  
Playin records  
Patti Smith and Howlin Wolf  
What a long way to go  
I ain't old ya know  
Three-thirty  
Show is letting out  
In my hotel room  
Finally got time alone  
What a long way to go  
At least I hope so  
I've only just begun  
Telling stories  
Did you hear the one?  
Do you like to laugh?  
Did you hear that song?  
Telling stories  
Of moving on  
Fallen angels  
And broken arms  
Telling stories

Conversation ends  
Do you like to laugh?  
Did you hear that song?  
Telling stories  
Of moving on  
Fallen angels  
And broken arms
