Dreamer

Jenn Grant

With the faint taste of cigarettes
you write hallelujah songs
Ain't it wonderful
you feelin' alright
so i tickle up you backbone

And at the break of dawn
you sink into a dream
you dreamer

And at the break of dawn
you sink into a dream
you dreamer

you dreamer, dreamer
you dreamer

You dreamer
you dreamer
you dreamer
you dreamer
you dreamer
you dreamer
you dreamer
you dreamer

On a date by a chocolate lake
down by the rotary
past town at the edge
looking down at butterflies

And at the break of dawn
you sink into a dream
you dreamer

And at the break of dawn
you sink into a dream
you dreamer

you dreamer, dreamer

you dreamer

You dreamer
you dreamer
you dreamer
you dreamer
you dreamer
you dreamer
you dreamer
you dreamer

You dreamer
you dreamer
you dreamer
you dreamer
you dreamer
you dreamer
you dreamer
you dreamer
