

# Raped By the Beast

## Cannibal Corpse

Black forest of evil, a demons possession  
A beast in the wild with nocturnal dementia  
Unearthly revival of clandestine extinction  
Reborn creature, malicious being Resurgence of a gruesome species  
With carnal obsession, it lusts copulation  
Scent of fresh human blood invades its dominion  
Surrounded in darkness, she enters a realm of hell Infernal quest from a savage of death  
Brutal attack, the innocent are unprotected  
Hellish fury, deviance provides conception  
Vicicious onslaught, its primal lust instinctual  
Macabe fuck fest, inside her cunt, the brute's erection Raped by the beast  
Anamialistic, pure hideous appearance  
Repulsive re-existence, bearer of morbidity
