Fancy Footwork

The J. Geils Band

Two step, two step, two step
Two step, two step, two stepBright lights keep you straight
Feels like looking in a magazine
You, her, on the floor
Feels like dancing is the way to goBut if you let her see that fancy footwork
Show her that youre not that shy
Let her see that fancy footwork
Show her youre that type of guyTwo step, two step, two step
Two step, two step, two stepYoung boy, dont be late
This girl aint really got time to wait
You think its all for show
But this is just the only way I knowBut if you let her see that fancy footwork
Show her that youre not that shy
Let her see that fancy footwork
Show her youre that type of guyTwo step, two step, two step
Two step, two step, two stepIf you ever need a guy
A partner for the week
You point in my direction
Then just come and follow meWell meet up on the floor
And maybe do the Twerk
So show me what you got
In terms of fancy footworkFancy footwork, fancy footwork
Fancy footwork, fancy footwork
Fancy footwork, fancy footwork
Fancy footworkTwo step, two step, two step
Two step, two step, two step
