

He Got Game (Radio Edit)

Public Enemy

[Chorus]

It might feel good

It might sound a little somethin'

But damn the game if it don't mean nothin'

What is game who got game

Where's the game in life behind the game behind the game

I got game

She's got game

We got game

They got game

He got game

It might feel good

Or sound a little somethin'

But fuck the game if it ain't saying nothin' If man is the father the son is the center of the earth

In the middle of the universe

Then why is this verse coming six times rehearsed

I don't freestyle much but write 'em like such (word)

Amongst times controlled by the screen

What does it all mean all this shit I'm seeing

Human beings screaming vocal javelins

Sign of the local nigga unraveling

My wonderin' got ass wonderin'

Where Christ is in all this crisis

Hating Satan never knew what nice is

Check the paper while I bet on ices

Keep more than your eye can see and ears can hear

Year by year all the sense disappears

Nonsense preserves prayers laced with fear

Beware the two triple o is near There is something happening here

What it is ain't exactly clear

There's a man with a gun over there

Tellin' me I got to beware

It's time to stop children what's that sound

Everybody look what's going down Thought of that millennium just be killing them

It scary like lies buried in a library

When did state pen correct anything

When piles of us still be catchin' the bus

When stacks of cash packed in laundromats

Pay the preachers back where the teachers at

I ain't even gotta ask it
Whose underpaid and got fouled at the basket
I can't blame the envy at who be getting all the benjis
And taking them grants for granted
Last I checked pyramids wasn't built like projects
On them government checks
Modern day thugs ain't got no guts
Pardon the expression under governor nuts
Last time in a church be the last time in a church
Dead pledge allegiance to CD's and movies
Leaving reality believing in fantasy
Bleeding fatalities too many formalities
Prayers laced with fear
Beware the two trip zero is here
