Drive Me Crazy

Ratt

Hey, yeahIt's just another weekend
I'll never settle down
You always got the bacon
Whenever you're around the townYou say kick off your shoes it's gettin' late
I kiss and tell you everything
I'll give you love you just can't wait to takeDrive me crazy, oh yeah
That's all I hear you say
Drive me crazy, oh yeah
And I can hear you say
Drive me crazy, oh yeah
That's all I hear you say
Drive me crazy, oh yeahDrive me crazy
Drive me crazyI always pass 'cause I'm so fast
You'll see me come and go
And when it's said it's done for fun
You know, you're still my number oneKick off your shoes it's gettin' late
I kiss and tell you everything
I'll give you love you just can't wait to takeDrive me crazy, oh yeah
That's all I hear you say
Drive me crazy, oh yeah
And I can hear you say
Drive me crazy, oh yeah
And I can hear you say
Drive me crazy, oh yeahTo move me, turn the key
And you move me to the right
Well drive me crazy tonightYeah drive me crazy, oh yeah
That's all I hear you say
Drive me crazy, oh yeah
That's all I hear you say
Drive me crazy, oh yeah
And I can hear you say
Drive me crazy, oh yeah
That's all I hear you sayDrive me crazy, oh yeah
And I can hear you say
Drive me crazy, oh yeah
That's all I hear you say
Drive me crazy, drive me crazy, drive me crazy
