The Sweetest Gift

Ewan McGregor

Quietly while you were asleep
The moon and I were talking
I asked that she'd always keep you protectedShe promised you her light
That you so gracefully carry
You bring your light and shine like morningAnd then the wind pulls the clouds across the moon
Your light fills the darkest room
And I can see the miracle that keeps us from fallingShe promised all the sweetest gifts
That only the Heaven's could bestow
You bring your light and shine like morning
