

# The Sweetest Gift

Ewan McGregor

Quietly while you were asleep  
The moon and I were talking  
I asked that she'd always keep you protectedShe promised you her light  
That you so gracefully carry  
You bring your light and shine like morningAnd then the wind pulls the clouds across the moon  
Your light fills the darkest room  
And I can see the miracle that keeps us from fallingShe promised all the sweetest gifts  
That only the Heaven's could bestow  
You bring your light and shine like morning
